Subject:- Internship Letter

Joining date:- Sept. 22, 2022

Ref. No. :- 2022/0921/054

Job Type:- Internship(Full Time)

Dear Debabrata barui,

Congratulations! With reference to your application and subsequent discussion, we are pleased to offer you the role of **DevOps** on the Terms and Conditions, mutually agreed upon. Your Internship will be effective from **22/09/2022**.

Please note that the detailed **Letter of Internship** shall be issued as per your services for us. We would be happy if you accept our offer and make preparations to report at Shivila Technologies Private Limited for your induction on immediate basis.

You will not be receiving any stipend for 6 months. You will be receiving "Probationary Internship Employment" status. As a probationary Internship employee, you will not receive any of the employee benefits that a regular company employee receive. However, your service with the company is "at-will", which means that either you or the company may terminate your service at any time, with cause and with notice.

During your internship, you may have access to trade secrets and confidential business information belonging to the company. By accepting this offer of internship, you acknowledge that you must keep all of this information strictly confidential.

If there are any further clarification that you require from us. Please contact our joining and induction team at Kolkata or get in touch with Mr Ankit Paul, who would answer your queries. He can be contacted at email "**hr@shivila.com**". We welcome you to the Shivila Technologies Private Limited family and look forward to a fruitful collaboration.

Annexure 1: Terms and Conditions of Internship

Your services at Shivila Technologies will be governed by the terms and conditions detailed below.

1. Any information you provide prior to your Internship with us will be subject to background verification. At any point in time, during your services at Shivila Technologies, should we find this information inconsistent, your internship with us will be revoked without any prior notice.
2. During your internship, you may become aware of information relating to the company's business, trade secrets, client names/details, and pricing structures. Confidential information remains the sole property of Shivila Technologies. You shall not, either during or after your employment, without the prior consent of Shivila Technologies, directly or indirectly divulge to any person or use the confidential information for your own or another's benefit. We expect you would not try to start or help any other person create the activities carried on by this company under any circumstance. It is prohibited and will attract a penalty fee.
3. During your services with us, we would expect you not to indulge in any activity or profession, which would prove detrimental to our operations. All software products and systems developed by you during your service with the company will be the sole property of the company.
4. Your designation at Shivila is "DevOps" as mentioned above, and based on your designation. Your probation is for six months. During the probation period, either party may terminate the employment contract with stating reason upon providing the other party prior written notice of thirty (30) days to that effect.
5. Upon confirmation of your employment, the employment contract may be terminated by giving 90 days' notice period. You are required to continue your service until your resignation is accepted and end of your notice period. Further, any salaries or other remuneration due to you will be forfeited if you fail to serve the appropriate notice periods mentioned above.
6. As per current requirements, you are hired for DevOps, and in case you decide to leave the services of Shivila Technologies, you shall inform in writing and shall serve the standard notice period as per clause 5 before the date of leaving. At any point in time, if this assignment is over without prior notice, you will have to report to our head office for the next opportunity to ascertain the fitment for Shivila Technologies projects. Else, you can opt for a one-month notice to find your next option.
